**Who should attend:** This *nationally acclaimed course* is for law enforcement executives, supervisors, internal affairs investigators, human resource personnel and anyone who desires to understand law enforcement professional standards and internal affairs investigations.

The professional standards model is a must for law enforcement and government officials to be prepared before a critical incident occurs. This course sets the stage for law enforcement professionals to create an agency wide practice of professional standards for all agency operations. In the covered material, attendees will understand "best practices" including how to avoid the problems before they occur and properly address issues that do arise.

This is a comprehensive course covering the entire internal affairs process through final discipline. Participants will learn the skills necessary to review, investigate and complete internal affairs investigations based on sound investigative techniques and within legal guidelines.

*"This class has been cataloged by the Council on Law Enforcement Education and Training for 16 hours of mandatory continuing education credit. Regarding any law enforcement concepts, practices, methods, techniques, products, or devices as might be taught, promoted, or otherwise espoused in outside schools or seminars, there is no intent, expressed or implied, that listing the course in the CLEET Course Catalog indicates or in any way conveys 'CLEET approval' of such concepts, practices, methods, techniques, products, or devices, unless such approval is explicitly stated by CLEET."*
