"Took a previous background course and left as confused as I started. This course met and exceeded my expectations and now fell comfortable being able to perform a background investigation. Instructor was thorough and included analyzing new Washington laws." Det. Chris Smith, WA Dept. of Fish and Wildlife

"Excellent instructor. You can really tell he understands the material. I have bene doing backgrounds for awhile and I still learned some new techniques I can take back to my agency. The strongest features were the practical application of materials and forms given." Det. David Sanchez, Everett PD

"Instructor has a ton of knowledge and experience on this topic. He gave a lot of tips and information. I did not know or think about my own background investigations. Yips, advice, sample questions and worksheets for conducting our own investigations." Det. Taylor Allen, Bellingham PD
