"Very passionate about leadership and it shows in the course content, material and instructions. I think mentoring is the single most important thing to improve leaders and future leaders in a department so the content on mentoring was the best for me."

Cpl. Josh Thueson, Moscow PD

One of the best classes I've taken thus far on leadership. Practical tools I can put to good use. The instructor made the information easy to understand and how I can use in my department right away."
