"Very knowledgeable about the topic and very willing to bring class knowledge and participation into the fold. This class provided me a lot of great information to take back to my agency."

"Good discussion and examples. Kept things moving and subject matter was on point. Has done the job and credibility is there. I have a ton of ideas to take back to my department. Didn't really find anything I won't use."

"His extensive experience in law enforcement and doing employee evaluations was certainly a benefit for this class. Will certainly attend more classes. Gave me a good understanding of how to begin our employee evaluation program."
