"I just wanted to say thank you so much for choosing to put on this training. I learned a lot about backgrounding and recruiting that is going to greatly help my small department. I also was very impressed that you and your company cater your trainings to that state you are teaching in. I was very happy to see that it wasn't just a general class on the topic, but you also incorporated items/statutes/etc. that are specific to Minnesota, so thank you for that."

Det. Katy Mannin, Centennial Lakes PD

"Instructor's knowledge made class enjoyable. Could have been a very boring class but was a good experience. Glad I attended."

Sgt. Nicholas Jacobson, Olmstead County SO

"Great presenter-gives good examples and case studies. This course provided a good base on background investigations and provided excellent examples and materials that can be used. I would recommend this class." **Asst. Fire Chief Jay Forster, Bloomington FD**
