LEADERSHIP FOR LAW ENFORCEMENT

Register at: [Leadership for Law Enforcement](#)
or at: www.on-targetsolutionsgroup.com

Who should attend: This seminar is designed for all law enforcement professionals who strive to be an effective leader. Without understanding leadership and developing strong leadership skills, organizational success can suffer. Effective leaders get employees to want to provide quality service.

Why another program on leadership? Leadership has been a recognized discipline for thousands of years in the military, business, politics and government. Understanding leadership differences along with similar approaches across disciplines can be of great value to government executives. Advances in the understanding of leadership as it pertains to government service have found that the best leaders must have an overlapping skill set.

This compelling and powerful program provides real world, successful examples on how leadership in law enforcement has evolved. Participants will take away a clear understanding of leadership styles and strengths, and what it takes to become an even more effective leader. You will understand the value in developing flexibility in your leadership approach to garner peak performance and meet organizational goals.

Topics Include:

- What is leadership - do not follow the fads
- How has leadership advanced in government
- The difference between leadership, management and supervision
- The best leaders are.....
- Preventing employees from becoming problems
- Laws of leadership
- Symptoms of leadership deficit
- What gets measured gets done
